

Gimli Ice Festival Co-Chairs Message

The Gimli Ice Festival 12th Edition is proud to “Celebrate Community Volunteers” this year, with more than 100 volunteers required to help organize and facilitate the numerous events and activities of the festival. Many of these volunteers have been involved with the festival since its conception and we are truly grateful for their ongoing contribution. The successful growth of this festival has been predominantly due to new organizations coming on board each year along with their dedicated volunteers who look after their planned event. The festival’s mission welcomes this engagement by the community at large and as the Co-Chairs we will continue to foster the mission in any way we can. Enjoy the festival and **HAVE FUN EVERYONE!**

Mission Statement: The Gimli Ice Festival organization shall make every effort to engage the cultural, arts, sports, education and business sectors within the municipality of Gimli. The festival's primary mission is to help stimulate Gimli, both socially and economically, by working in partnership with the service clubs, organizations and dedicated volunteers that serve the community at large.
